**Community Reps & Parents are invited to come in-person to participate in this Hybrid meeting**

## Protect What Matters Most: Family Preparedness & Peace of Mind

Public Counsel experts will lead an informative parent webinar to help families plan ahead and stay prepared for emergencies. Participants will learn how to use the LAUSD Family Preparedness Care Package to organize important information and create a plan for their children. The session will also cover key legal options, including the Caregiver's Authorization Affidavit and Guardianship, and share available community resources. Families will receive practical guidance, have the opportunity to ask questions, and learn about next steps to consider.
